National Art Education Association Women's Caucus

INVITATION:
Collaboratively-Built Online Accessible Collective Bibliography-Making Event

Date: Saturday, April 27, 2019. 1-5PM EST
Virtual location: https://psu.zoom.us/j/369894718
Participants: Both members and non-members of NAEA WC
Participation Duration: Participants may come and go as available!
Zotero URL: https://www.zotero.org/groups/286382/naea_womens_caucus
Contact: Hyunji Kwon kwon7@mailbox.sc.edu
 Karen Keifer-Boyd kk-b@psu.edu

Description: The purpose of the 4-hour virtual event is to build a collective bibliography together related to feminist art education. We will enter bibliographical data into Zotero, an app for user-generated group bibliographies. Zotero enables export of selected references as a formatted bibliography text file in recognized writing styles such as APA and MLA, or custom reference styles. By entering, tagging, annotating, storing, and sharing bibliographies of valuable research by feminist scholars, artists, activists, and art educators, including NAEA WC members and non-members, first, the visibility and publicity of feminist work is increased, and second, researchers can easily access and utilize historical and contemporaneous resources.

Types of Materials to Include in Relation to Feminist Art Education:

- Journal articles
- Books & book chapters
- Videos
- Editorials
- Organizations
