

Call for 2015 Women's Caucus Breakfast Speaker and Exhibition Juror

Each year the NAEA Women's Caucus hosts a BYOB breakfast during which an artist local to the convention area speaks about her work.

The speaker also juries the Women's Caucus exhibition; this year's theme is "Designed: Object, Subject, Environment." A small honorarium is offered for these services, making it important that the artist be local. We invite your nominations for the 2015 speaker/juror at the NAEA Convention in New Orleans.

Please send your nominations to Elizabeth Garber at egarber@email.arizona.edu no later than November 1, 2014.

Please indicate the artist's contact information and provide a short bio and/or a URL. The bio/URL will be included in a ballot circulated to NAEA members to choose the speaker. The contact information will be used if your nominee is selected.
