

# Radical Interruption, Tender Disregard: A Journey in Feminist Pedagogy

Nicole Singer  
Carrie Nordlund Award Presentation  
NAEA 2019

Do all girls wear pink? Does not wearing pink make them not a girl?  
 Do all boys have short hair? Some people are boys, girls, both, or neither...  
 Can they wear pink too? How about blue?  
 Do some girls have hair on their faces too?  
 What if a girl wants short hair?  
 What if someone's gender changes? Do they have to change their colors?

**“I’m not an artist”**

**“I can’t use art supplies with kids”**

**“Can you come do it with them?”**

“Who did you buy it with?”

“Do you have a...um...family?”

“And you did it alone?!”

“Oh, so just you?”

“But you don’t have, like, a partner or anything, right?”

“So, when you get married your husband will just move in with you! Nice, making it easy for yourself!”
